   get your All Access Pass.

4. Identify Key: _____ Major

4. Speed of song (Tempo):_____ (fast, moderate, slow)

5. Chords used in this song: _____

(intro) D   F#m   Bm   G

(verse 1)
                    D
I need another story
                        F#m
Something to get off my chest
                    Bm
My life gets kinda boring
                    G
Need something that I can confess

              D
Til' all my sleeves are stained red
              F#m
From all the truth that I've said
          Bm
Come by it honestly I swear
              G
Thought you saw a wink no

I've been on the brink so

(chorus)
              D
Tell me what you want from here
                    F#m
Something that were like those years
          Bm
Sick of all the insincere
                G
So I'm gonna give all my secrets away
    D   F#m
This time don't need another perfect line
                    Bm
Don't care if critics never jump in line
              G
I'm gonna give all my secrets away

Learning JamStudio

Identify:

• BEATS (time signature)
• KEY (chords)
• TEMPO (speed to original)
• SOUNDS (different instruments)

Learn to:

• Input chords
• Change tempo
• Change instrumentation
• Loop page

Saving your work:

1. Click SAVE & give your work a title.

2. When you are happy with your composition, you can
   a) share your music with me by clicking "Share" button. You'll need my email: ylim@montgomeryschool.org
   b) Click on "MP3 mix" to get it on your iTunes. JamStudio will email you a MP3 file.
